Subject: SH 288 Weigh Station Funding in 2015 Call for Projects

Dear Mr. Clark:

Our Department has been notified by Brazoria County of their pursuit of funding for a Weigh Station on SH 288 in the 2015 Call for Projects. The proposed weigh station to be used by the Department of Public Safety would be located on State-owned Right of Way near the City of Angleton.

After reviewing the proposed project, TxDOT has no objection to Brazoria County's use of our Right of Way for the weigh station, subject to successful execution of a Multiuse Agreement, nor to Brazoria County's application for funding in the Call for Projects.

Thank you for your attention and consideration in this matter. Please contact Mr. Andrew Mao, P.E., at (713) 802-5301 if you have further questions.

Sincerely,

Michael W. Alford, P.E.
District Engineer
Houston District
